On May 25, 2021, Lori Kathleen Ogden Erickson filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*²(the “Vaccine Act”). Petitioner alleges that she suffered a left shoulder injury related to vaccine administration (“SIRVA”) resulting from an influenza (“flu”) vaccine received on September 15, 2020. Petition at 1; Stipulation, filed February 27, 2024, at ¶¶ 2-4. Petitioner further alleges that the vaccine was administered in the United States, she had pain, weakness and impaired movement and function in her left shoulder for a period in excess of six months after vaccination, and she has never received Compensation in the form of an award or settlement for her vaccine-related injuries or filed a civil action for her

injuries prior to this petition. Petition at ¶¶ 3, 6, 8. On February 27, 2024, I issued a decision awarding compensation to Petitioner based on the parties' stipulation. ECF No. 37.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$14,493.17 (representing \$13,223.05 in fees plus \$1,270.12 costs). Application for Attorneys' Fees and Costs ("Motion") filed August 26, 2024, ECF No. 42. Furthermore, Petitioner filed a signed statement representing that Petitioner incurred no personal out-of-pocket expenses. ECF No. 42-3.

Respondent reacted to the motion on August 26, 2024, indicating that he is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case but deferring resolution of the amount to be awarded to my discretion. Motion at 2-4, ECF No. 43. Petitioner did not file a reply.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 42-2. Respondent offered no specific objection to the rates or amounts sought. I find the requested costs reasonable and hereby award them in full.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. **Petitioner is awarded attorneys' fees and costs in the total amount of \$14,493.17 (representing \$13,223.05 for attorneys' fees and \$1,270.12 in attorneys' costs) to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
